### SCHOOL INFORMATION

UW-Green Bay Graduation Year *(Alum of another university? Please include the school name.)*

If you're a former athlete, what sports did you play?

Major

Minor *(if applicable)*

List other degrees received, years and universities attended.

## MENTORSHIP INFORMATION

**Preferred Match** (*which athletic program do you want to match with*)

**Areas of Expertise:** Please describe your areas of expertise or interest where you can provide mentorship (*e.g., career advice, academic guidance, sport-specific skills, personal development*):

**Expectations and Commitments:** What do you hope to achieve through mentoring student athletes? Also, please outline your availability and commitment level for this program (*e.g., hours per week, duration of mentorship, etc.*):

**Some mentors find the mentor-protégé relationship more productive when they are paired with a student at a certain level in their college career. Please indicate if you have a preference below. While we cannot guarantee a match on this criteria, we will do our best.**

- New freshman or undeclared major – a student new to school who would thrive from guidance in choosing a major or exploring their field of interest.
- A senior or upperclassman with a strong sense of direction and purpose who knows where they are going and needs a few pointers on how to get there
- We are encouraging dedicated students that are not at the top of their class to apply. We often hear from our most successful alumni that they were in this same group as a student. Would you be interested in guiding these students?
- I'd be comfortable working with any student at any level of their university and athletic career whose interests fits with mine.

**Please use the space below to provide any additional information that you would find helpful when matching with a student-athlete.**

**Note:** *The Alumni Mentor Program is not intended to facilitate job placement opportunities. As a voluntary program, the university relies on the information provided by the participants themselves and makes no other representations concerning the participants. Further, while the university assists in matching students with mentors, once the match is identified the university is not responsible for any aspect of the mentor-protégé relationship, including the pursuit or continuance thereof.*

*This program does not discriminate on the basis of race, color, creed, religion, sex, national origin, disability, ancestry, age, sexual orientation, pregnancy, marital status, or parental status.*

Submit form to [info@flywiththephoenixcollective.com](mailto:info@flywiththephoenixcollective.com). We will reach out as soon as possible. Thank you!
